THE ROCKEFELLER UNIVERSITY
Science for the benefit of humanity

DONATE

Alphabetic List of Genetic Analysis Software

This list was created by Dr. Wentian Li, when he was at Columbia University (1995-1996). It was later moved to Rockefeller University (1996-2002) and now it takes its home at North Shore LIJ Research Institute (2002-now). The present copy is maintained by Jurg Ott as a single file (800 kb).
